Mr. Chris Valdez was present to ask about getting a double wide trailer moved in to the village. The property currently has a single trailer. Mr. Loll has denied his zoning permit to move in a mobile home because of the age of the trailer. The mayor encouraged him to bring information to council for a variance to see if it is possible. He asked if he needed to attend the meeting. Yes, he would need to attend.

There was a motion by Bruce with a second by Seth to approve the checks and purchase orders, roll call: Chelsea – yea, Bruce – yea, Brian Webb- yea, Seth – yea.

There was a motion by Chelsea with a second by Brian Webb to approve the financial statements, roll call: Chelsea – yea, Bruce – yea, Brian Webb- yea, Seth – yea.

There was a motion by Amanda with a second by Seth to approve the mileage, roll call: Chelsea – yea, Bruce – yea, Brian Webb- yea, Seth – yea.

Bruce said that Josh and Corey did an excellent job of repairing the curb on Main Street. Mr. Hammitt asked if the village would be willing to pay for half of a sidewalk if the owner paid for the other half. The mayor has never known the village to pay for any part of a homeowner's sidewalk.

There is a portion of the walking path that was never paved during the original project. It is stone now. There was a reason that part was not black topped. We will ask the utility superintendent why that was left.

The next regular meeting is set for Tuesday, September 30 at 6:00pm.

There was a motion by Bruce with a second by Seth to adjourn.
